All proceeds from this auction benefit Student Financial Aid**

Donations are vital to the success of Hearts of Gold and we are still seeking donations, examples of ways you can contribute to that success:

- **Corporate sponsorships** – businesses can be involved through donating auction items or monetary sponsorship of other aspects of the auction – hot beverage cart, hospitality and décor items.
- **Donate quality items** desirable for live and silent auctions. These can include: unique handcrafted items, tickets to local events, special services, unique experiences, vacation packages, restaurant and popular specialty store gift cards, themed baskets and specialty desserts for the infamous dessert auction. Cash donations allow us to purchase experiences and create unique packages.
- **Matching funds** – many companies will match monetary charitable donations, let us know if your company will do so.
- The ABC store on campus will offer 10% discount for all Hearts of Gold attendees on the day of the event.

Thank you for  
paying the  
postage
